

He will be happy.

I will be happy.

We will be happy.

He will love you.

I will love you.

We will love you.

He will be studying English.

I will be studying English.

We will be studying English.

He will have studied English.

I will have studied English.

We will have studied English.

He is happy.

I am happy.

We are happy.

He loves you.

I love you.

We love you.

He is studying English.

I am studying English.

We are studying English.

He has studied English.

I have studied English.

We have studied English.

He was happy.

I was happy.

We were happy.

He loved you.

I loved you.

We loved you.

He was studying English.

I was studying English.

We were studying English.

He had studied English.

I had studied English.

We had studied English.
